## METALLIC LAMINATE COLLECTION

Our Metallic Laminate Collection showcases the allure and sophistication of metal. Easy to fabricate and install, it can be used in many design applications, providing a brilliant modern, rustic or natural appearance.

# Metallic Laminates

## APPLICATIONS

Hotels. Restaurants. Cabinet Doors. Store Fixtures. Exhibit Manufacturing. Furniture. POP Displays. Columns. Slat Walls.

## FEATURES

Recommended for vertical and light duty interior decorative applications. Long-lasting metallic laminates offer durable flexibility for interior use. Our surface; built to last. Not recommended for areas exposed to high temperatures, exterior use, and heavy use counter tops. Can be bonded to the following substrate material: plywood, MDF board, HDF board and particle board. Surface protection should not be removed before installation is completed.

## SPECIFICATIONS
